

Join The Bellevue College Tombolo Institute Advisory Board - Your Next Power Play!

Be a part of our exclusive Bellevue College Advisory Board! We hand-pick our board members to ensure varied industry backgrounds, differing points of view, and distinctive leadership qualities, making up a team of accomplished experts who offer innovative advice and dynamic perspectives in their areas of focus. The board works collaboratively to provide constructive feedback and strategic direction, guide quality improvement, and assess program efficacy.

As a partner of the board, your role is to support our faculty and program managers in delivering relevant offerings and strengthening the fundamental mission of the Bellevue College Tombolo Institute Executive Programs.

Your Industry Star Shines Bright: Pass On That Knowledge!

We're proud to host Bellevue Advisory Boards for our all Executive Programs. Interested in serving on our board? We need your expertise in the following areas: Customer Experience, Design Thinking.

Discover Your Company's Road to Excellence at Bellevue College

Grow the learning power at your company with custom experiences designed just for you. Let Bellevue provide your executives and professionals a substantive and transformational skill-set for long-lasting impact on their business performance.

Our custom programs are a proven way to grow leadership, devise new strategies, and build the business acumen your firm needs to excel. We work hand-in-hand with your leadership team to create effective and efficient programs. Custom programs generate ideas, conversations and solutions worth capturing.
